

*True Blue Fiber Friends* Update:

Come see us in the Carol Leigh's Hillcreek Fiber Studio tent at the Maryland Sheep & Wool Festival May 2-3, 2009.

Bex has been busy writing patterns for yarn companies. Two that have been completed for Frog Tree's new Meriboo Yarn are available for purchase. If you are on Ravelry.com, you can download the pdf version there for \$5. She will have a Double knit Celtic Tam knit from Jojo-land Melody and Ballad yarn out soon.

*Meriboo Reversible Cable Scarf*

*Bex's Brioche Hat*

Our Blue Party on March 15 was the best yet! Twenty-nine people showed up to "get blued!"

Check our web site [www.TrueBlueFiberFriends.com](http://www.TrueBlueFiberFriends.com) for the next Blue party, as well as for a full listing of our clubs and upcoming classes. We schedule classes on everything we (or one of our many fiber friends) know how to do including: Knitting, Dyeing (natural & synthetic), Felting (wet, nuno & needle), Beading, Crochet, Frame Loom Weaving, Inkle Weaving, Rug Weaving, Kumihimo, Macrame, Tatting, Bobbin Lace, Paper Making, Surface Design Techniques, Basketry, Rug Twining....and more! Let us know if there is a class you would like for us to hold and we'll do our best to make it happen! Bex is available in the store every day to assist you with knitting projects and questions. It is well known that she loves to adjust gauges and patterns and substitute yarns to suit individual customer needs. Come on in and give her a new challenge.

*True Blue Fiber Friends* is here to help showcase your talents, as well as ours. Local fiber and other media artists have brought their wares to us so we can sell them for a small consignment fee. If, by chance, you are looking for a wonderful outlet for your fiber (or non-fibrous) habit (AKA: craft), e-mail us at [tbffl@centurytel.net](mailto:tbffl@centurytel.net), phone us at 573-443-8233 (TBFF), or come in person at 1206 Business Loop 70 East in Columbia, MO.

Thank you for your support, Bex - Shella - Rose - Charlie (currently 19 months old)
