

**BLUE PARTY, Saturday June 25, 10 to 5 pm or any part thereof**

**Here at Hillcreek Fiber Studio**

**7001 South Hill Creek Road, Columbia, Missouri, 573-874-2233**

**hosted by Bex Oliger of Hillcreek Yarn Shoppe and  
Carol Leigh Brack-Kaiser of Hillcreek Fiber Studio**

**All are invited. Bring something to throw into the dye pots**

A chance to play with Blue dyes. Bex and I have been offering this special opportunity for several years.

Four different Blue Pots will be set up for your pleasure. Bring yarn of protein fibers: wool or other animal fibers, hand-spun, or fibers in mesh bag to dip into the Indigo or Woad Vats, or to Alum mordant before adding to the Saxon Indigo dye pot for turquoise. Bring cotton or silk fabric, scarves, T- shirts, socks, undies, or whatever, to throw into the Zinc/Lime Indigo Vat. Be creative and stitch, tie, rubber band or scrunch onto a plastic pipe or other form to create resist areas to make designs on your masterpiece.

Cost based upon weight of what you bring: \$10 per first 8 ounces, \$5 per each additional 8 ounces.

Wear clothes you don't mind staining blue. Come to have fun and learn about the different Blue pots.

**Rectangle on the Square. Speaking of using the 5-foot Spriggs Adjustable Square Loom for the lap blanket on Page 4...** This loom is one of my favorites of our looms. Besides settings for 9 sizes of square blankets or pillows, it can be adjusted to a rectangle shape—the smallest width with the longest length, thus the length is twice the width—perfect for Continuous Strand Weaving for shawls. See picture of Campbell of Argyle Dress Tartan — still on the loom (almost done)!

Gently Used 60-inch, 4 shaft Leclerc Colonial I Jack Type 1052-98

Extras Include: loom bench, spool rack + 23 spools, tension box and counter, owner's manual, 2 boat shuttles with 12 bobbins, 5 weaving books and more.

Asking Price \$2250; Buyer pick up and disassemble.

Any further questions please contact me and I will try to answer. Contact info: Marilyn Gunter 660-351-0752 or email [mzgunter@gmail.com](mailto:mzgunter@gmail.com)
