## Announcements

Bex and husband Eric have been taking the store to more fiber events around the country. See the Events Calendar. If you would like for them to bring items to your area, please contact Bex a few days/weeks before the event near you.

Bex's son Jesse Reeves is getting married June 18, 2016 to Danae Fish in Edwardsville, Illinois. They met each other at Ft. d'Chartres, Illinois rendezvous and have been sweet on each other since age 5. They continued a long-distance relationship for nearly two decades. This past year they took a trip out to Utah where they hiked and climbed rock formations including Angel's Landing. When they got to the top, a tourist offered to use Jesse's camera to photograph them against the scenery. Unbeknownst to everyone else, Jesse got down on his knee and proposed to her, then exclaimed he had "landed his angel on Angel's Landing". How romantic!
